June 27, 2024

Dear John Sample,

In November 2023, Village of Mariemont voters authorized the creation of an electric aggregation program. Your community has now selected Constellation NewEnergy, Inc. ("Constellation") as the program supplier. The Village has worked with Constellation to secure a competitive rate for the program. From August 2024 through August 2025, your price will be a fixed rate of 7.289¢/kWh. You may also opt in to the 100% renewable wind option for 7.644¢/kWh by calling 833-556-1340.

You're Automatically Enrolled

There is no cost to enroll. Enrollment is automatic for those who are eligible, but participation is voluntary. You may opt-out of this program without penalty at any time for any reason by providing notice to Constellation (see instructions below). If you choose to opt-out, you will be served by the standard service offer of Duke (the "Utility") or until you choose an alternative supplier of electric service. If you switch back to the Utility, you may not be served under the same rates, terms, and conditions that apply to other customers served by the Utility. Please see the enclosed FAQs and Terms and Conditions for full details regarding the program.

How To Opt-Out

The program is under the ongoing jurisdiction of the PUCO. If you return to utility supply after the beginning of the aggregation program, you will pay the Utility's market price of power plus its costs for alternative energy resources, unless you are exempt from those costs or you move and the utility considers you to be a new customer. If you do not want to be automatically enrolled in the aggregation program, please respond with one of the options below by July 18, 2024:

Electric Aggregation Opt-Out Frequently Asked Questions

Q: What is aggregation?

A: Under governmental aggregation, local officials bring the community together for group purchasing power. The community benefits by receiving competitively-priced electric from a retail supplier certified by the Public Utilities Commission of Ohio.

Q: How is my community able to choose a certified electric supplier on my behalf?

A: Residents voted to allow the community to negotiate a contract with an electric supplier on their behalf.

Q: How do I enroll?

A: Eligible residential or small business customers will be automatically enrolled.

Q: Who is eligible for the aggregation program?

A: Most residential and small business customers residing within the community receiving electricity from the local utility are eligible (local utilities include: AEP Ohio, Duke Energy Ohio, First Energy, and DP&L).

Q: Who is not eligible?

A: Residential and business customers who are not eligible for automatic enrollment in the program include:

- A customer that is not located within community boundaries
- A customer who appears on the PUCO's "do not aggregate" list
- A customer who is in contract with another electric provider
- A customer who has a special contract with the electric utility company
- Customers who are behind on their payments to the utility
- A mercantile customer that has not provided consent to join the program. "Mercantile customer" means a commercial or industrial customer if the electricity consumed is for nonresidential use and the customer consumes more than 700,000 kWh/ year or is part of a national account involving multiple facilities in one or more states.

Q: Are the rates fixed or variable?

A: The rates are fixed. Please see the Terms and Conditions for details.

Q: When will I see my new rate?

A: Customers can expect to see the new rate one to two billing cycles following your enrollment in the program. Please note: supply rates do not include taxes, delivery service charges or other utility fees.

Q: Who will bill me for electricity?

A: You will continue to receive one monthly bill from your local utility company.

Q: Can I still have my payment automatically deducted from my checking account as I do now? **A:** Yes. How you pay your electric bill will not change.

Q: Who do I call to report a power outage or problems with my electric service?

A: You will contact your local utility company to report a power outage or problems with your electric service, including billing questions.

Q: What if I have already selected another supplier?

A: Based on the records provided by the utility, we assumed you are not with another supplier. However, if you recently signed up with a new supplier, carefully review the terms and conditions of that agreement before proceeding as your ability to terminate early with that supplier may be restricted.

Q: Is there an early termination fee for leaving the program outside of the 21 day opt-out period?

A: No, there is no early termination fee.

Q: Who do I contact if I have additional questions about this offer?

A: If you have additional questions about the program, please contact Constellation.

Electricity Purchase and Sale Terms and Conditions – Opt-Out Aggregation

The Village of Mariemont, Ohio (“Municipality”), pursuant to the aggregation authority conferred upon it by electorate vote, which passed by a majority vote in November 2023 and ordinance establishing the program, selected Constellation NewEnergy, Inc. (“Seller”) to supply the aggregation and to administer enrollments as described below. You, the account holder (also referred to as “Buyer”) for the eligible account associated with the service address referenced on the letter accompanying these Electricity Purchase and Sale Terms and Conditions (the “Account”), and Seller agree to the following terms and conditions. Seller and Buyer (individually referred to as “Party” and collectively as “Parties”) agree to the following Electricity Purchase and Sale Terms and Conditions (“Agreement”), as of June 11, 2024 (the “Effective Date”).

1. Opt-Out Enrollment: Enrollment is automatic for those who are eligible, but participation is voluntary. **IF YOU DO NOT WISH TO PARTICIPATE, YOU MUST OPT-OUT BY (1) DETACHING AND RETURNING THE OPT OUT CARD ATTACHED TO THE ENROLLMENT NOTICE POSTMARKED NO LATER THAN JULY 18, 2024, (2) BY CALLING 833-556-1340 BY JULY 18, 2024 OR (3) BY OPTING-OUT ON SELLER’S WEBSITE AT www.constellation.com/oh-mariemont.** If you choose to opt-out, you will be served by the standard service offer of Duke, OH (the “Utility”) or until you choose an alternative supplier of electric service.

2. Eligibility: To be eligible for opt-out aggregation, Buyer and the Accounts to be served (i) must be located within the Municipality’s jurisdictional boundaries, (ii) must be served by the Utility, (iii) may not be under contract with another competitive supplier, (iv) may not be on the Public Utilities Commission of Ohio (“PUCO”) “do not aggregate” list, (v) must be in good standing with the Utility (including payment history), and (vi) may not be under a Utility special arrangement or percentage of income payment plan (PIPP).

3. Term and Renewal: This Agreement shall become binding on the Effective Date, provided however, the obligation of Seller to sell and schedule electricity for delivery to Buyer and the obligation of Buyer to purchase, take and pay for electricity is contingent upon: (a) eligibility of Buyer and the Accounts, (b) successful enrollment by the Utility, and (c) passage of the Rescission Period without effective cancellation by Buyer. Successful enrollment by the Utility is dependent upon (i) the eligibility of the Accounts, as set forth above and as determined by the Utility, to take from a retail electric supplier and (ii) the accuracy and completeness of any information submitted by Buyer and the Municipality. Service will commence on meter read dates in August 2024, subject to enrollment by the Utility, and shall remain in effect through the August 2025 meter read (“Initial Term”), unless terminated pursuant to the terms of this Agreement. In the event ineligibility is not ascertained until after service commences, Seller shall provide notice of the same to Buyer and return Buyer to the Utility. Buyer shall have the opportunity to opt-out of the Aggregation at least every three years without penalty.

4. Rescission Period: The Utility will send Buyer a letter confirming transfer of service upon processing of Buyer’s enrollment and Buyer will have 7 days from the postmark date of that letter to cancel its enrollment, without penalty, (“Rescission Period”) by calling the Utility on the toll-free number provided in the letter or by providing written notice to the Utility.

5. Price: For each billing cycle of Initial Term, Buyer shall pay a Fixed Rate of **\$0.07289** per kWh, multiplied by the billing cycle usage for the Accounts. The Parties acknowledge that the Municipality hired a third-party intermediary (“Broker”) for this transaction and a per kWh Broker fee has been included in the Fixed Rate. Buyer will also incur delivery and other additional service charges from the Utility. Switching fees may apply when service is established with Seller, but Buyer will not be charged separately by Seller for a switching fee.

6. Billing and Payment: Buyer will be invoiced by the Utility for both Seller’s charges and the Utility’s delivery charges. Such billing and payment (including fees associated with late payments) shall be subject to the applicable Utility rules regarding billing and payment procedures. Seller may cause the Utility to correct previous invoices in the event of invoicing errors. Seller’s charges or credits not invoiced through the Utility shall be invoiced or credited, respectively, directly by Seller. Any such charges shall be due within 21 days following the invoice date and payments not received by the due date will be deemed past due and shall accrue interest on the unpaid balance from the due date until payment is received at a rate of 1.5% per month of the unpaid balance, provided that such percentage does not exceed the maximum amount allowable by law. Seller offers budget billing for generation charges (except in Duke territory) and Buyer should contact Seller at the phone number identified in Section 10 to elect budget billing. Seller does not offer budget billing for generation charges in Duke territory, but Buyer may contact the Utility for information on whether the Utility offers budget billing for Seller’s charges.

7. Taxes: Any tax levied against Seller by any governmental entity, exclusive of Seller’s income tax or taxes levied on Seller’s real or personal property, that must be paid by Seller shall be passed through to and borne and reimbursed by Buyer. Buyer must provide Seller with any applicable exemption certificates. Buyer shall pay any such taxes unless Seller is required by law to collect and remit such taxes, in which case Buyer shall reimburse Seller for all amounts so paid.

8. Limitations: ALL ELECTRICITY SOLD HEREUNDER IS PROVIDED “AS IS”, AND SELLER EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE. IN NO EVENT WILL EITHER PARTY BE LIABLE UNDER THIS AGREEMENT, WHETHER IN AGREEMENT, IN TORT (INCLUDING NEGLIGENCE AND STRICT LIABILITY), OR OTHERWISE, FOR INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, OR PUNITIVE DAMAGES AND, FURTHER, IN NO CASE SHALL SELLER’S LIABILITY EXCEED THE AMOUNT OF BUYER’S SINGLE LARGEST MONTHLY INVOICE DURING THE PRECEDING 12 MONTHS.

9. Environmental Disclosure: Seller's environmental disclosure label, which will be updated from time to time, is available on Seller's website.

10. Termination; Remedies: Seller may terminate Buyer's service under this Agreement for non-payment with at least 14 days written notice. Failure to pay Utility invoices may result in Buyer being disconnected in accordance with the Utility tariff. Buyer may terminate at any time without an early termination fees, including if Buyer moves outside of Seller's service area or into an area where the Seller charges a different price. If Buyer switches back to the Utility, Buyer may not be served under the same rates, terms, and conditions that apply to other customers served by the Utility. The Choice program is under the ongoing jurisdiction of the PUCO. If Buyer returns to utility supply after the beginning of the aggregation program, Buyer will pay the utility's market price of power plus its costs for alternative energy resources, unless Buyer is exempt from those costs or Buyer moves and the utility considers Buyer to be a new customer.

11. Force Majeure: Except for Buyer's obligation to pay Seller timely, neither Party shall be liable to the other for failure to perform an obligation if the non-performing Party was prevented from performing due to an event beyond the reasonable control, that could not be remedied by the exercise of due diligence and that was not reasonably foreseeable, including without limitation, acts of God, a condition resulting in the curtailment of electricity supply or interruption or curtailment of transmission on the electric transmission and/or distribution system, interruption of Utility service, terrorist acts or wars, and force majeure events of the Utility or RTO/ISO.

Buyer appoints Seller as its agent for the purposes of effectuating delivery, including for receipt of billing and usage data from the Utility. For Buyer to opt into the Enhanced REC product option, Buyer must call Seller at **833-556-1340** to affirmatively enroll into this option (the "Enhanced REC Effective Date").
