

Protection Plans

Our Bundled Plans provide budget protection against unexpected repair bills

System breakdowns are often unexpected and costly. Our Protection Plans are simple — when something breaks, Constellation comes out to fix it and you pay nothing for covered parts and labor. That’s right, you pay nothing. No copays. No deductibles.

Natural Gas Supply + Equipment Protection

By choosing a natural gas plan with Constellation, you receive a water heater protection plan at no additional cost. Plus, you have the option to extend coverage to the most important equipment in your home, providing total protection on one convenient bill.

When it comes to protection, you’ve got choices

With Constellation as your gas supplier, you receive protection for your hot water heater. Plus, you can expand coverage to include additional home equipment. We also have other service plans available in order to meet your needs.

With all our plans, you’ll enjoy:

Unlimited Service Calls: You’ll pay \$0 for covered parts and labor* and \$0 deductibles

Quality Service from Local Professionals: Constellation Authorized Service Providers are carefully screened, trained and certified to deliver the ultimate customer experience.

Depending on the plan you choose, you may also get:

Annual HVAC System Tune-Up:

A comprehensive tune-up helps ensure everything is running smoothly.

In-Home Electric Coverage: Covers switches, receptacles, light fixture repairs and more.
